1. Welcome To the Front Page Group of Institutions:

FRONT PAGE GROUP OF INSTITUTIONS is a comprehensive, student centered educational entity providing quality education that prepares students to live and work in present times in an increasingly culturally diverse society, where technology is the central point of all round development of the society. Accordingly, we offer the students who opt for our educational institutions an opportunity for professional and personal growth by means of our educational process taking into account the individual unique potentialities of our beneficiaries motivating them for self-empowerment for total human formation, character building and multi-dimensional growth leading to societal transformation and nation building. We respond to the economic, social, academic, cultural and scientific growth of a diverse society by working in alliance with such like-minded institutions by providing educational and motivational services that encourage students to pursue academic excellence and professional growth with character formation. Our educational institutions are Front Page College of Education, providing B. Ed degrees, Front Page School of Education providing D. El. Ed degrees, Front Page Academy providing H. S. Course in Bengali Medium, Front Page Public School providing English Medium Education following CBSE curriculum Front Page Creative Kids providing English Medium Education, Play Group to Class III, and Front Page Girls' Academy, situated in Vill. Dewanati, P.O. Hadipur, P. S. Deganga, in the District of N 24 Parganas in the State of West Bengal.

3. Message from Chairman Desk:

FRONT PAGE FOUNDATION was established in the year 2010 with the avowed vision of imparting education with particular reference to rural children of Muslim community who are deprived of quality education and human empowerment with the aim of establishing a robust Muslim community for strengthening the noble task of nation building and societal transformation. In all our educational institutions we strive to give our beneficiary students apart from quality education, human formation, character building, holistic and integrated development. It is my privilege to wish all our beneficiary students and their guardians a bright future with their dedication and hard work to build their future career in association with their companions and well-wishers so as to make our great nation to claim its rightful place among all nations.

Md. Quamruzzaman

Chairman

4. Message from Principal Desk:

"A Child Without Education is Like A Bird Without Wings"

All praises to The Almighty for His graciousness and forgiveness. For His help and protection.

As a principal, I would like to take this opportunity to welcome you to Front Page Public School, a modern English Medium school, with Islamic Values, following CBSE Curriculum. We have day boarding and hostel facilities together. The main purpose of our school is to provide children a Holistic Education which can guarantee success for them in present competitive society with value-based knowledge and skills that have contributed towards growth and vision in building global citizen and a conscientious human being. Keeping this in mind our school is equipped with well trained teachers, library, reading room, lab, smart classroom, spacious classrooms, sports area, play area for kids, most importantly environment friendly atmosphere, which help us to impart quality education. Parents are primary educators of children, but as the child starts schooling, we must devote ourselves to shoulder the responsibility together as teamwork is the key to success. I

am sure through collaborative effort we can achieve more to benefit our students who are the future leaders of our society. At last, I would like to thank all my FPPS family members (teachers, students, non-teaching staffs, as well as parents). With your blessings we will surely get our affiliation and we will achieve our goal which is nothing but impart academic excellence and value education among students.

To conclude I must quote "Education breeds confidence. Confidence breeds hope. Hope breeds peace". - Confucius

Indrani Das

Principal

5. Our Vision:

To be a group of the outstanding educational institutions that helps students to gain contemporary knowledge by innovating, adapting and resetting learning as a way of developing one's inner potentialities for total human development taking into account modern development in science, technology and skill development for societal transformation leading to nation building.

6. Our Mission:

To provide the students with knowledge, skills, values and determination to face the challenges in life both in academic field as well as in their personal life so as to develop the human potentials to achieve different opportunities in future to enhance the new teaching and learning process for students for their holistic development for realization of better future for the society and nation as a whole.

7. Objectives:

- ◆ To Increase literacy and education of the community.
- ◆ To grow and develop the children both physically and mentally
- ◆ To empower them for lifelong learning by fostering innovative and independent thinking.
- ◆ To enhance the student's technological skills by providing greater opportunities for shared collaborative experiences.
- ◆ To stimulate students' research and entrepreneurial understanding and to mould their passion into a profession.

8. Goal:

Education is the key that will allow many other Sustainable Development Goals to be achieved. When people are able to get quality education they can break from the cycle of poverty. Education helps to reduce inequalities and to reach gender equality. It also empowers people everywhere to live more healthy and sustainable lives. Education is also crucial to fostering tolerance between people and contributes to more peaceful societies.

9. Our Facilities:

- Well Qualified Teaching Faculties
- Library with E-Learning Service
- 24 Hours Security & CCTV Surveillance
- Separate Class Room & Residential Block
- Purified Drinking Water
- Facilities for Sports & Games
- Special Focus on health, hygiene and nutrition

N.B - Date of birth once recorded at the time of admission will not be changed.

12. Our faculty:

The school has qualified and experienced teachers for imparting education and guidance to the students. This helps to build the self-confidence, esteem and overall development. The teachers are well-equipped to educate basic Moral values and knowledge to prepare the student for future career.

13. Academics:

The school is Following CBSE Curriculum. The curriculum is well planned and graded as per the syllabus. Our young minds are provided with comprehensive academic curriculum which is equally supported by co-curricular activities which would gear them to be logical, analytical, creative and innovative

14. Smart Class room:

Enhanced Learning Experience. A digital smart classroom provides enhanced teaching and learning experience. It's an innovative technology that has aimed to revolutionize the way teachers teach and student learn in the class. Finally, we all know that if a topic is understood by a visual method, it's becoming more beneficial to understand to student. Thus, our school is turning 'traditional' classrooms into 'smart' class.

15. Library:

It provides us with quality fiction and nonfiction books that encourage us to read more for pleasure and enrich our intellectual, artistic, cultural, social and emotional growth. The ambiance of the school library is perfect for learning without getting disturbed. The school features a well-equipped library which provides quiet and tranquil environment where children can come to satiate their quest for knowledge. School Library has more than 1000 books from story books to literature, encyclopedic, science, and fiction in English, Hindi languages. With the aim of inculcating a lifelong passion for books and knowledge, we encourage all students to make the most of their library sessions.

16. Science Lab:

Well-equipped and growing/Modern and up-to-date learning facilities. Apply theoretical knowledge: Students can apply what they've learned in the classroom to real-world scenarios. Has enough for all lab-based subjects viz. Chemistry, Physics, Biology according to the rules and regulation of the Board. Has a major collection of science and other project-works. A science lab offers various opportunities for students to think creatively, develop techniques, and explore their interests.

17. Exhibition:

An intellectual forum is established through which we organize exhibitions. It builds intellectual capacity of a child. Once in two years exhibitions are held. Class from baby nursery to tenth take part with a great interest. Beautiful models, simple interesting experiments and explanations are exhibited by the students of all the classes. Students are recognized by the prizes for the best creativity in their presentations.

18. Parent Teacher Meet:

To give a detail report on students' appraisal and to clarify the queries of each parent, we conduct parent teacher meets. A forum is setup for parent to exhibit their views and ideas for the overall development of the child.

19. Uniform:

Wearing the selected uniforms of the institution is mandatory.

20. STARTING OF ANNUAL ACADEMIC SESSIONS:

- CBSE Official Session start from 1st week of April annually

21. Bridge Course:

- January to March preparatory classes for new students

Note: Newly admitted students must attend these classes
